VERSE 1

G
His voice shakes the wilderness
Bm
From out His mouth shoot flames of fire
Am
Let every man be proved a liar

For there's no truer word than His
G
The voice of the Lord is powerful
Bm
Descends like mighty peals of thunder
Am
The mountains melt and break asunder

There is no stronger voice than this

O God give strength to all Your people
Em
And grant us peace in days of evil
D C G
We will seek Your fame forevermore!
G
Raise one voice, all you His people
Em

D C G
Sing it loud! Your God is able!

VERSE 2

His voice sustains the universe
He sits above all speculation
Is unafraid of man or nation
Instead He laughs them all to scorn
The voice of the Lord is terrible
And in His temple all cry "Holy!"
They shade their eyes before His glory
For every thought is known to Him

CHORUS

G
O God give strength to all Your people
Em
And grant relief in days of evil
D C G
We will seek Your fame forevermore!
G
Raise one voice, all you His people
Em
And sing one song, come all you feeble
D C G
Sing it loud! He will deliver you!

VERSE 3

His voice maintains the seasons
He speaks and earth brings forth her bounty
And though we travel through the valley
Still all His promises endure
The voice of the Lord's more beautiful
Than your most wild imaginations
And while He owes no explanation
He chose to give to us His Word

CHORUS

O God give strength to all Your people
And grant us peace in days of evil
We will seek Your fame forevermore!
Raise one voice, all you His people
And sing one song, come all you feeble
Sing it loud! Your God is able!

CHORUS

O God give strength to all your people
And grant relief in days of evil
We will seek your fame forevermore!
Raise one voice, all you His people
And sing one song, come all you feeble
Sing it loud! He will deliver you!
